*CSNN provides T2202 tax receipts for workshops that are at least 12 hours in length in a month and are provided over at least 3 consecutive weeks. Revenue Canada requires SIN number to be included on the tax receipts. For further information, contact CRA at 1-800-954-8281. CSNN will keep your SIN number private and safe. For workshops that do not qualify for T2202, an internal CSNN receipt will be given.

Check Desired Course(es):	<input type="checkbox"/> NN103A Nutritional Symptomatology 30 hours Nutritional Symptomatology is a simple, yet valuable science used for the assessment of nutritional deficiencies and imbalances. This course will address nutritional imbalances as they affect different body systems. The student will be introduced to the effective use of assessment tools to identify nutritional imbalances, explore the nutritional measures recommended to rebalance the body and help reduce the risk of illness, and write the client case study report in a professional manner. *New updated textbook. This course is NOT eligible for Continuing Education Units (CEUs).
